ONLINE LEARNING PROGRAM

FLEXIBLE. FAMILY-FIRST.

Every family is unique — your school options should be too.

ACS is excited to offer an online learning path to support students who need a different fit.

Highlights:

- ✓ Online learning option to better serve our community and meet real family needs.
- ✓ Modeling Christ-like service by supporting students in new ways when traditional school isn't the best fit.
- ✓ A flexible online option that supports learners who thrive with personalized, adaptable instruction.
- ✓ Builds on our trusted homeschool partnership model.

Our commitment to equipping students to glorifying God

Families who desire a more personal spiritual component can opt into our religion classes in person. This hybrid approach allows us to maintain our commitment to discipleship while respecting the varied needs and preferences of families who choose online learning. This option is also available with our fine-arts courses.

Living out our Family-First Initiative

4-Day School Week - supporting healthier rhythms for families

Homeschool Partnership - customizing schedules and coursework

Flexible Scheduling - adapting to family routines and student needs

Online Learning Option - serving students who do not fit the traditional in-person model

Expanding access. Extending Christ-like service.
